PUBLIC PARTICIPATION AT BOARD MEETINGS

REQUEST TO ADDRESS BOARD

The Call to Public is on the regular Board agendas to provide everyone the opportunity to be heard. The Governing Board understands the importance of communication with the public and welcomes and values your comments, concerns, input, and praise.

The Governing Board cannot comment or answer issues brought up at Call to Public because only items listed on the agenda for discussion or action may be addressed. This does not mean that your comments will be forgotten or that the Board does not care what you think. The Governing Board President will discuss them with the Superintendent, and every effort will be made to answer your questions and/or resolve your concerns.

Thank you for caring about the children of the Laveen Elementary School District and for taking time out of your busy schedule to address the Governing Board.
