

Help us maintain important school programs...

Dear Families,

The Laveen School District receives federal funding through the Elementary and Secondary Education Act (ESEA). This important funding helps pay for things such as after school activities, tutoring, technology, staff development, and parent classes.

We need your help! Collecting these forms will help us to maintain our schoolwide Title I status, which means all students at the school benefit from these enrichment activities.

Please take a moment to complete the form on the backside of this letter. There is no additional information needed. Simply review the income eligibility chart below and mark if your family meets Indicator 1, Indicator 2, or No if neither applies on the ESEA (Title I) form.

Thank you for your support!
