

Reduce Your Taxes by Supporting Laveen Schools

Arizona allows taxpayers to dedicate dollars to education while reducing the amount you owe on your 2024 taxes through the tax credit program.

For every dollar you donate, the amount you owe on your Arizona taxes will be that much less. If you do not owe taxes, the amount you donate may be carried forward for up to five years to offset future tax liabilities.

For example, if a single person owes \$300 on their state taxes for 2024 and donates the maximum amount of \$200, they will then only owe the state \$100.

Couples filing jointly may donate any amount up to \$400. Individuals may contribute up to \$200.

Anyone can participate, married or single, with or without children.

Tax credit contributions may only be used to support character education and fee-based extracurricular activities such as after-school tutoring and clubs, academic enrichment, field trips, fine art programs, and athletics.
