Parent Newsletter of MCCash Elementary School • April, 2023

Dear Parents and Guardians,

We have had a fantastic start to our 4th and final quarter of the 2021 -2022 school year. We appreciate everything that you do as parents each day to support your student's success at school. Students and teachers have been working hard to prepare for our state assessments, AASA, which begin this week. While testing can seem like a stressful time, this is an opportunity for our Cash students to shine. We are confident that our Roadrunners are prepared and ready to show all of the amazing things they have learned this year.

AASA Testing Dates:

April 4th - 3-8 Writing Test

April 5th -6th 5th and 8th grade AZSci

Testing

April 17th and 18th- 3-8 Reading Test

April 19th and 20th - 3-8 Math Test

Parents, you can help ease any stress or test anxiety your students may be having by keeping the following in mind:

- Make sure your student gets a good night's sleep.
- Encourage your student to eat a good breakfast. It is hard to focus on an empty stomach. Students can eat breakfast for no cost at school between 7:00-7:20.
- Make sure your student comes to school each testing day, **on time**. Students will always test better with their teacher.
- Schedule appointments for after school. Students who are released from school early will not be able to complete their test at a later date.
- Send your student to school with a positive attitude. Encourage them to try their best and let them know how amazing they are. They have worked hard all year and are ready to show what they know.

At Cash, we believe that ALL students are capable of success, NO EXCEPTIONS!

Teacher appreciation

Teacher appreciation is coming soon. You can recognize the current and former teachers' by posting a special message on our Facebook page. We appreciate you taking the time to recognize the hard work and dedication to teachers.

2022 and 2023 Arizona Tax Credit

Arizona allows taxpayers to dedicate dollars to education while reducing the amount you owe on your 2022 taxes through the tax credit program. For every dollar you donate, the amount you owe on your Arizona taxes will be that much less. If you do not owe taxes, the amount you donate may be carried forward to offset future tax liabilities. You can make your donation [online](#) or download the form [here](#).
