Booster Club
9/19 5:00-6:00

Curriculum Night
9/19
4:30 - 6pm

A MESSAGE FROM OUR PRINCIPAL, DR. G

Thank you for a wonderful first month of the school year! Last week, students took NWEA, a district-adopted assessment tool that will provide our team with current academic levels and will drive our instruction this school year. We look forward to the growth that students will show this academic year. Curriculum night is on 9/19 from 4:30-6:00 and will be an opportunity to see your student's work, complete a STEM challenge, and find out additional information on how to support your student(s) at home. Lego Robotics Sign-up and our second Booster club meeting of the year will be at 5:00.

MUSTANGS RIDE WITH P.R.I.D.E

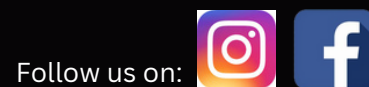

Are you wondering how you can stay in touch with school information, grades and behavior? Be sure you have access to ParentSquare, ParenVue and PBIS Rewards. Each application can connect you to your students teachers and the school with a click of a button. We are committed to a home-school partnership which ensures success for all of our students at Rogers Ranch STEM Academy.

Fall Picture Day will be Monday,
September 9th

Students may dress up for individual
photos. All information will be sent home
with students.

Picture Day ID: EVTFRWPJF

SPORTING EVENTS

As we approach the fall sports seasons, just a
few reminders for students and families:

- The ticket entrance will now be at the North
end of the campus by the bus bay
- Students must be accompanied by an adult
18 or older to attend any event on campus
- Adult ticket prices-\$2.00
- Student ticket prices-\$1.00

ARRIVAL & DISMISSAL REMINDERS

Arrival: We have two locations that you can drop students off:

1. South lot-students will walk around to the front gate
2. Front lot

In either location, we are asking that parents **pull all the way forward** to help the flow of traffic in the morning. The “please pull forward” signs will be located at both locations to assist families in adhering to our safety expectations. In addition, please do not park in the driveline and walk your students in rather park in the lot and use the crosswalk.

Dismissal: The front gate will not open until the bell rings at 3:30 PM daily. We do ask that parents refrain from going up to the double gate doors so that we can open the gate promptly.

We will continue to block off the front lot at 3:10 following self-contained dismissal. Please park on the street to pick up students, as many are walkers, and this ensures their safety.

For driveline families, we ask that you pull forward as much as possible when the opportunity arises so that we can continuously load students.

**NO dismissal
car pick up**

**Dismissal car
pick up**
