

# RAM | MONTHLY

## Message from our principal Mr. Rohloff

*The exciting time is now for our 3rd-8th graders. Testing season is upon us and we are so proud of the progress our students have made. Please consider following the [recommendations](#) for testing to support your students in excelling on the test! We know there is a certain amount of anxiety in testing, but we want to encourage our students so the “butterflies in their stomach” do not turn into unhealthy stress.*

*I also want to give a big shout-out to our booster parents for putting on the Apex event at Paseo Pointe. Our PreK-5th graders had so much fun with the obstacle course and the middle schoolers enjoyed the color battle.*

*Before ending, I just want to recognize that the end of the year will be upon us quickly, so we are trying to promote peaceful, meaningful learning each day we have left before summer. Have a great April!*

At Paseo Pointe we R.I.S.E to Success by being Responsible, showing Integrity, remaining Safe, and being Engaged by Empowering Excellence.

**#EmpoweringExcellence**

# Dates to Remember

April 28 Paseo Pointe Science and Engineering Fair

## | Coaches' Corner

Over the course of the last two weeks, Paseo Pointe has participated in the Apex Leadership Fundraiser. Apex athletes came into classrooms every day to teach students lessons about how to be a great leader both on and off campus. Paseo Pointe students, families and staff were able to raise over \$30,000 for our school! Thank you everyone for your contributions and your support. We could not have done this without you!

-Maestra Hurtado y Maestra González

## PBIS

This month our team is committed to rewarding Ram Positives for students that are meeting our school RISE expectations. During testing, students will be able to earn additional Ram Positives for remaining engaged during the test, showing their work or using the tech features such as highlighting. Students are able to spend their Ram Positives at our RAMazon store which is open from 7:00-7:30 daily in the cafeteria as well as classroom stores.
