RAM MONTHLY

Message from our Principal Mr. Rohloff

Ram families,
Spring is in the air! As we embark on a new season, we celebrate the new growth all around us. School is no different than the rest of the world with an opportunity for growth. As a school we have grown significantly and were just notified that we received the A+ School of Excellence award from the Arizona Education Foundation. This is considered by many to be the top distinguishment that a school in Arizona can receive. In addition to the school level growth, we have grade level growth. An example of this is that our 3rd grade just made the "Elite 8" of the Read to the Final 4 competition. All 3rd grade students in the state had a reading competition and Paseo Pointe is in the top 8. We find out on March 5th if we made the Final 4! Continue to encourage our students to do their best! Lastly, all of this is dependent on individual growth. All of the schoolwide, grade level, and class growth are a collective effort of several individuals. In other words, keep up the good work and good things will happen!

I would be remiss if I didn't conclude by wishing everyone a great spring break. Learning is fun, but it is nice to have a break in your routine to read a book for pleasure or take a hike off the grid. Whatever you do, I hope you enjoy Spring Break and come back ready for an amazing 4th quarter!

Mr. Rohloff

PBIS Updates

Hello Rams!

In the month of February we awarded **73,670 points!**
Wow! That is a lot of students following expectations!

The **grade level that earned the most points** in February was... **4th grade with almost 14,000 points!**

And the **teacher who gave out the most points** this month was... **Ms. Leslie with 11,300 points!**

And our **TOP student with the most points overall** was... **Christopher Abdin, 4th grade** 🎉

Congratulations to all our winners this month!

Lastly, this month we are focusing on **INTEGRITY**. Our students will be asked to define integrity and complete a writing assignment based on their ideas. This is a great opportunity to **have a conversation with your child about what integrity means and how they can show integrity with their actions and choices every day.**
